5. Match Teas	Teas - we have navigated thus far without a chef, we don't have volunteers in the RRFC to help. Short term teams need to organise their own teas e.g. baguette, fillers, crisps and then claim back from Sam. Then Emily will contact Han's sandwiches and Kate to contact the caterer for Eastleigh Football Club. Emily will put feelers out on teamo, captains to reach out to their teams. Progression of men's players.
6. Rewarding our Volunteers	Pete Cooper explains the Romsey volunteering document. This is explained thoroughly including how to support members who are financially struggling. Thank you to Sam and Pete who have put a huge amount of time into this. It will be put on the RHC website. Query about student/part time reduced fees raised.
7. Welfare update	Nothing from junior welfare. Nothing outstanding currently.
8. Social Update <i>Joanna Sheath</i>	So many exciting new plans. Christmas do will be going on Teamo please can captains push with their teams? Ninja Warrior - Sunday who club - promote on Teamo from January Quiz night to join with the rugby club. Quiz master.
9. Kit Update <i>Clare Cooper</i>	Kit - problem match shirts, July 31 st order took 11 weeks, still not been delivered and the chap went completely to ground. Communication is painful. Lots of research needed. Numbers on shirts overlap. If players have the same number players need to buy locally. Clare to keep us posted on the outcome from Creative Images. Committee are a little concerned about the outlay. More to follow. Christmas and festive hockey to be invited on a monday night Christmas jumper/fancy dress.
